MISC. ACTION NO. H-12-649

**ORDER**

The plaintiff, Benjamin Oshea Calhoun, has filed a number of suits alleging various claims against various defendants arising out of what appears to be similar factual allegations. This court denied the *in forma pauperis* applications. Calhoun has filed motions for new trial in both cases. For the reasons stated in the orders denying the applications, and because Calhoun has not shown a basis for the relief he seeks, the motions are denied.

SIGNED on November 27, 2012, at Houston, Texas.
